HARINI K

Forward Deployed Engineer

Coimbatore, Tamil Nadu | harinik37@gmail.com

https://linkedin.com/in/harini-k-ai | https://github.com/harini-k-dev

PROFESSIONAL SUMMARY

Forward Deployed AI Engineer skilled in building LLM-driven applications, REST APIs, and rapid prototypes for institutional workflows. Experienced in prompt optimization, database architecture, and translating real-world requirements into deployable software.

TECHNICAL SKILLS

Programming Languages: Python, Java, JavaScript (ES6+)
Artificial Intelligence: Generative AI, Large Language Models (LLMs), Agentic AI, Prompt Engineering, Language Processing (NLP), Workflow Automation
AI & Machine Learning: PyTorch, Scikit-learn, NumPy, Pandas, OpenAI API, Gemini API, Matplotlib
Full Stack: React.js, Node.js, Express.js, REST APIs, PostgreSQL, MongoDB, MySQL, Firebase, Redis
DevOps & Testing: AWS, Docker, Git, GitHub, CI/CD, Playwright, Vitest
Software Engineering: Data Structures & Algorithms (DSA), Object-Oriented Programming (OOP), Database Management Systems (DBMS), System Design, Authentication & Authorization, SDLC, Agile, Scrum

INTERNSHIPS

AI Development Intern | ICT Department (RGU) **| Jan 2026 – Aug 2026**

- Developed **ASTRO**, an AI dialogue assistant automating student inquiry routing and departmental workflows.
- Built **asynchronous Python endpoints** to dispatch prompts, eliminating blocking latency for concurrent users.

Web Development Intern | Cyfotech Infosys **| May 2024 - Jul 2024**

- Built responsive, cross-browser client interfaces and UI components.
- Connected dynamic form views to backend database APIs for real-time CRUD operations.

PROJECTS

Zara AI - Conversational Virtual Assistant

- Integrated **OpenAI API** to deliver multi-turn conversational responses to complex queries.
- Engineered a **relational MySQL cache** to log dialogue state and accelerate query turnaround.

Smart Management System - Academic Record Platform

- Created a desktop record system in Python with complete **CRUD functionality** for student databases.
- Optimized numeric calculations and grade batching using **vectorized NumPy operations**.

HACKATHONS & ACHIEVEMENTS

Overall, Winner (1st Place) - Inter-College Mini-Hackathon 2026 | KPR College
Runner-Up - Technical Paper Presentation, Rathinam Grand Fest (RGF) 2026
National Finalist - National Conference on Emerging Technologies 2026

EDUCATION

B.Sc. Computer Science with Artificial Intelligence
Rathinam Global Deemed to be University | **CGPA: 8.50** | Expected Graduation: *May 2027*
Sri Visweswara Vidyalaya Matric HSS | HSC: **84%** (2023) | SSLC: **84%** (2020)

CERTIFICATIONS

- Java Certified Foundations Associate ORACLE
- Microsoft Azure Administrator Associate (AZ-104) Cert Prep by Microsoft Press
- Generative AI: Introduction and Application - IBM
- Introduction to Big Data - Coursera
